Mr. James H. Hubert,
202 West 136th St.,
New York City.

Dear Mr. Hubert:

Your letter of July 18th received. I have made several attempts to get in touch with Mr. White, but we have never been able to get together.

Now about the game for The Urban League, I will be more than happy to be able to play, but it will be impossible to have a Sunday game, as our schedule is made up the beginning of the Season and all Sundays are scheduled. Then too, it would be hard to give a substantial amount to The Urban League from a Sunday game, as that is our best day to make expenses.

I have worked out a plan however, that I think might prove beneficial. At present The Newark Eagles and The Homestead Grays are heading the Negro National League, and there is a great demand all over to see them play. These two teams could play a doubleheader a week day Tuesday, August 22nd or Wednesday, August 23rd, this should be a profitable day, especially if Mr. Barrow would give you the Park.

I will bring our schedules with me Monday, July 24th at 12 O'Clock to Mr. Barrow's office, and if you can find a day you think would be better, we will work on it.

I sincerely hope we will be able to arrange a profitable day.

Very truly yours,
